It's an immense pleasure to me that the 2022-2023 Year's Annual Report of ASTHA MAHILA EVAM BAL VIKAS SANSTHAN (AMEBVS) is being presented. During the last year, we worked on different segments of societal empowerment. On our Endeavour We got the full support of our donors, volunteers as well as the community. We are thankful to all. We believe in innovations, and this strategy of development adopted by us has been fruitful. Different CBOs are successfully working for the community development in our project intervention areas. Baal Sansad, adolescent groups and different types of SHGs are contributing to societal empowerment. During the year, a great project of the "SURKSHIT JIVAN PROGRAM JAUNPUR District' supported by the CHILD RIGHT CENTER (CNLU), PATNA, UNICEF, BACHPAN BACHAO AANDOLAN, NRLM program was phased out successfully. The Credit goes to the team members, including its Team Leader, Project Coordinators and Block Resource persons.

Finally, I thank all the governing body members for their cooperation and the staff, volunteers and front line workers for their relentless efforts. I wish for a bright future for this organization. I would also like to extend my thanks to my staff - high on energy, optimism and dedication, and members of the AMEBVS body whose efforts and support makes the activities take place effectively. We are a people of passion, daring, tenacity and optimism. We will continue to enrich lives and strengthen our communities.

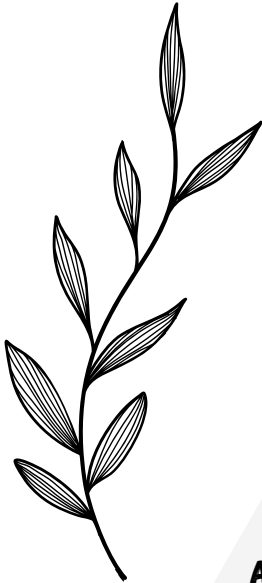

With this we would like to take this opportunity to thank all our mentors, supporter and donor for their guidance to realize our dreams.

"हां मैं मजदूर हूं लेकिन मजबूर नहीं, मैं मजदूर हूं यह कहने में मुझे शर्म नहीं, अपने पसीने की खाता हूं, मैं मिट्टी को सोना बनाता हूं. हां मैं मजदूर हूं और यह कहने में मुझे शर्म नहीं"

The height of hard work that labour is doing by holding 14 bricks on his head at a 40-degree temperature. Typically the weight of one brick is to be 3 to 4 kg. Now imagine how and why they are doing it. Astha interviewed one labour, and by listening to his story, I was surprised; in one line, I want to explain his pain that "Empty Stomach doesn't feel the heat and weight".

Astha has started an awareness campaign for such labours by linking them to different government schemes and connecting to the various systems for their family members.

Astha Foundation wish all the hardworking and honourable laborers a Happy International Labour Day 2022. Thank you for your hard work every day. The hardworking labourers and people who work for the betterment of our society do not deserve recognition just on one day. They should be honored every day.

The Astha Foundation supports families engaged in such hard work. This image says it all.

Astha Foundation is supporting in preparing a SoP on child labour, child trafficking and child migration in state of Bihar and Uttar Pradesh.

Three layers of discussion i.e at CSOs level, State stakeholders and at community level was completed with all stakeholders in Uttar Pradesh.

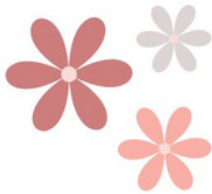

On the Occasion of 26th January, Republic Day, women's of self-help groups who have brought so much change in their lives, who never set foot outside the doors of their houses, today she talks directly to the departmental officers of the district and the state. Today, on the occasion of Republic Day, Mrs. Mala ji said that now we are not identified with anyone's daughter, anyone's wife, or anyone's sister, but I have my own identity and now my family is known by my identity. Told successful stories, she said that earlier we used to hide our shortcomings due to social public shame, today we actively participate in every program, today our number is in thousands, a cluster level union of about 300 sisters has been formed from our village, the organization Faith Women and Child Development. In the program, the women of the group hoisted the flag of their success, like the tricolor flag, our group will also kiss the heights of heights.

## SUCCESS STORY

EACH TIME A WOMAN STANDS UP FOR HERSELF, WITHOUT KNOWING IT POSSIBLY, WITHOUT CLAIMING IT, SHE STANDS UP FOR ALL WOMEN.

The social organization Aastha Mahila Evam Bal Vikas Sansthan, works on providing financial strength to women. A woman named Manju Devi, who belonged to a Dalit family, was spending her life as a labourer in the houses of rich families of her surroundings and she used to get some money from there. Her main responsibility was to take care of her family due to which she had forgotten her dream. ASTHA Team is working together with the National Rural Livelihood Mission to provide employment opportunities in 15 villages of Cholapur Block, District Varanasi, Uttar Pradesh. After identifying Manju ji, she got an employment opportunity according to her needs and interest and after training she was provided raw materials and started working. Manju Devi is making sweet boxes; and now this is mainly her employment. It is not appropriate to work as a domestic servant at someone's house for a lifetime. Nowadays, Manju ji is independent and takes care of her family along with all her work. She makes 100 to 150 rupees per day by making sweet boxes. Manju ji not only earns herself but she also encourages other women to work. She is also a good trainer of the organization. By giving training to those women who are suffering, Manju ji has started the business of making sweet boxes many other women in 6 groups are working so far. The sweet boxes made by all these women are also marketed. Manju ji has a dream and she wants to set up a factory. Our organization wants to give employment opportunities to a total of 120 women.

## SUCCESS STORY

" IT IS HIGH TIME WE PRIORITISE WATER AND WORK EFFECTIVELY TO DRIFT AWAY FROM BECOMING A WATER SCARCE NATION "

Villages in India are facing an acute shortage of water for households and agriculture activities Rural villagers have insufficient access to purified drinking water due to impacts of low income, technical solutions, community internal management, water contamination from agricultural chemicals, industries, and waste disposal.

With the pandemic the demand for water is growing as hand washing and bathing frequently has become one of the major precautionary measures. Thus, Mushahar community of our intervention area was facing problem due to shortage of water supply.

After tireless efforts with the help of the organization and the community, water pipeline was laid by Jal Nigam in Barai Musahar Basti and taps were also installed. Now the community is not facing problem with water, as well as this community is able to take care of their food and hygiene properly. And Mushahar Community is Thanking ASTHA Sansthan for making it possible for them.
